THE USCAP ANNUAL MEETINGS CONTINUE TO SET RECORDS

The USCAP Annual Meeting has truly become pathology’s global event. Decision makers in the field of pathology and the related specialties of molecular, toxicology, oncology, and immunology from hospitals, private laboratories, academic institutions, and the government will be in attendance. We are continually setting records for attendance and the number of exhibitors over the past several years and look forward to doing the same in 2019.

Exceptional opportunities at our 108th Annual Meeting include:

- Twenty-two hours of exhibit time take place over three days
- Coffee will be served only in the Exhibit Hall during dedicated morning and afternoon program breaks
- The highly-attended poster presentations are within the Exhibit Hall
- Exhibitors are invited to join the meeting’s attendees at the Meeting’s Key “Generation U” Reception Tuesday evening – great food and entertainment that you do not want to miss!
- Marketing opportunities have been expanded to meet every budget
- Increased visibility has been achieved through the following methods:
  o Sponsor and Exhibitor listings on our meeting website (+8 million hits during the three months leading up to and during our meeting) and mobile app
  o USCAP-generated emails sent to all registered attendees
  o USCAP-generated social media posts to our followers
- Exhibitor and Sponsor registration is quick and easy
- USCAP plays an active role in supporting our partners’ requirements to meet the Physician Payment Sunshine Act. To ensure this important requirement is met, USCAP is requesting each MD’s National Provider Identifier (NPI number) during the registration process. It will be included in the badge bar code content which exhibitors are able to capture when they scan an attendee’s badge.

With the continued growth of the USCAP Annual Meeting and exhibit floor, exhibitor space will sell out very quickly. Submit your application as soon as possible to ensure that you are able to secure space. To help you make your decision, please find the enclosed information regarding audience demographics, sponsorships, exhibitor rules, and the floor plan information to secure your participation, within this brochure. Whether you choose to become an exhibitor or a sponsoring exhibitor, you’ll find many opportunities to promote your organization to pathology’s global leaders.

The USCAP Annual Meeting has become pathology’s must-attend event. Don’t miss this extraordinary opportunity to meet the global pathology marketplace!

- **Wednesday:** 9:30 A.M. – 11:00 A.M.; 2:30 P.M. – 3:45 P.M.

As a courtesy to the scientists and your fellow Exhibitors, USCAP requests strict adherence to the opening and closing hours. Deliveries or removal of equipment must be made before or after exhibit hours. A pass must be obtained from the Exhibit Management desk to remove any material or equipment prior to Wednesday, March 20, 2019. Once the exhibit opens for the last day of exhibiting, nothing may be removed until the exhibit is officially closed at 4:00 P.M., at which time no pass is required. Security will not check equipment leaving the exhibit area after 4:00 P.M., Wednesday, March 20, 2019. Strict security will be in effect at all other times.
SPACE ASSIGNMENT
Applications for exhibit space are subject to the approval of USCAP, in its sole discretion, not to be unreasonably withheld. A 500-character description (including spaces) of specific products and/or services must be keyed in to the system at the time of submitting your online application form, even if you plan to alter it at a later date.

PRIORITY POINTS SYSTEM
Priority in space assignment will be accorded to previous Exhibitors on the basis of one point for each year of exhibiting, without regard to the number of booth spaces utilized. If more than one company has the same number of priority points, assignments will be made in date of receipt order.

Mergers: In the event that an exhibiting company merges with, is acquired by, or purchases another exhibiting company, the seniority accumulated by either company (whichever is highest) will be used. Exhibit Management must be notified in writing of such changes, including a public announcement of the transaction.

To take advantage of your point priority, applications and deposits must be received by October 26, 2018. Applications received after that time will be assigned space based upon date of receipt of application.

Platinum, Gold, and Silver Sponsors will receive priority placement in the Exhibit Hall.

BOOTH SELECTIONS
The floor plan (CLICK HERE) should be carefully reviewed and six exhibit preferences selected. Avoid concentrating all choices in one area. Indicate these choices on the online application for space. Because prime locations sell quickly, alternate acceptable booths should be indicated. If the selected booths are not available at the time the application is received, the Exhibitor agrees to accept the space assigned. Until the initial booth assignments have been completed (after the October 26, 2018, priority point deadline), all booths on the online floor plan will appear as “Available.” From that point on, the Interactive Floor Plan will be live and will show assignments as they are made. USCAP reserves the right to modify the floor plan and reassign exhibit space if a change in the original assignment is necessary, as well as the right to final determination of booth location.

SHARING SPACE
No subletting or sharing of exhibit space is permitted without written consent from USCAP.

CO-MARKETING
If two or more companies wish to be assigned exhibit space adjacent to one another, all companies must attach a letter from each of the other companies, explaining the request and noting the request on each space application. Exhibit Management is not responsible for adjacent space assignment if space applications arrive separately or without documentation. The space assignment will then be made by averaging the co-marketing companies’ points. Exhibit Management will locate adjacent exhibits based on the best use of the exhibit floor space, and requests for specific locations may not be honored.

If two or more divisions of the same company wish to exhibit together, they may exhibit under one company name. All housing, badges, and Exhibitor Technical Guide listings will be conducted in one name only.

Multiple housing blocks and listings are not permitted.

When two or more companies have joint rights to a product, and the contract stipulates all company names must appear with the product, USCAP reserves the sole right to determine how or if the name of the non-exhibiting company will appear on all exhibit-related materials. USCAP will make reasonable efforts to accommodate such requests after considering the facts and circumstances of the situation.

NON-CONTRACTED
Exhibit Space persons, companies, or organizations that have not contracted with USCAP to occupy space in the Exhibit Hall will not be permitted to display or demonstrate products, processes, or services; solicit orders; or distribute advertising materials in the Vancouver Convention Centre, parking lots, or any hotel contracted by USCAP.

USCAP may cancel Exhibitor rooms and room blocks held by a company canceling booth space.
IT IS AGREED THAT:

a. As a reasonable calculation of liquidated damages for cancellation, and not as a penalty, it is agreed that: If a company cancels before December 21, 2018, an administrative fee of 25% of booth cost will be charged. c. In the event the entire exhibit area is sold out, only an administrative fee of 25% of the canceled booth’s cost will be charged, and the balance of monies received will be refunded.

d. Space not claimed and occupied by 9:30 A.M. on Monday, March 18, 2019, will be forfeited by the Exhibitor, and the Exhibitor will pay as liquidated damages 100% of the total contracted booth space fee.

CANCELLATION OF MEETING AND EXHIBIT

It is mutually agreed that in the event the USCAP Exposition is canceled due to acts of God, war, strikes, government regulation or advisory (including travel advisory warnings by the government or World Health Organization), civil disturbance, terrorism, or threats of terrorism in National Harbor, as substantiated by governmental warnings or advisory notices, curtailment of transportation, epidemics, disaster, fire, earthquakes, hurricanes, unseasonable extreme inclement weather, shortages or disruption of the electrical power supply causing blackouts or rolling blackouts in National Harbor, or any other comparable conditions or circumstances that occur either in the location of USCAP’s meeting or in the countries/ states of origin of at least thirty percent (30%) of the attendees or along their routes of travel, making it commercially impracticable, illegal, or impossible, the Application and Contract for exhibit space will be terminated. In such an event, the affected party shall not be liable to the other for delay or failure to perform its obligations, except there shall be a prorated reduction of any fees payable or otherwise due under this agreement and/or refund of any deposits paid.

LIABILITY

Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, save, and render the United States and Canadian Academy of Pathology, AIM Group International, the Gaylord National Resort and Convention Center and Brede Exposition Services—to include employees and agents—harmless against all claims, losses, and damages to persons or property, governmental charges or fines, and attorney’s fees arising out of or caused by Exhibitor’s own installation, removal, maintenance, occupancy, or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole negligence of the Gaylord National Resort and Convention Center, Brede Exposition Services, AIM Group International, the United States and Canadian Academy of Pathology (USCAP), their employees and agents. In addition, Exhibitor acknowledges that the United States and Canadian Academy of Pathology, AIM Group International, the Gaylord National Resort and Convention Center, and Brede Exposition Services do not maintain insurance covering Exhibitor’s property and that it is the sole responsibility of Exhibitor to obtain liability, business interruption, and property damage insurance covering such losses by Exhibitor.

USCAP shall in no event be liable to an Exhibitor for any lost business opportunities or for any other type of direct or contract. It is understood and agreed that the sole liability of USCAP to the Exhibitor for any breach of this contract shall be for the refund of all amounts paid by the Exhibitor pursuant to this contract, as an exclusive remedy.

ENFORCEMENT OF RULES AND REGULATIONS

The Rules and Regulations of the United States and Canadian Academy of Pathology Exhibits are intended to bring order and fairness to the medium. In addition to being subject to restriction or termination of an exhibit (see General Character of Exhibits), Exhibitors who violate regulations will be subject to the following sanctions:

1ST VIOLATION: Loss of current year priority point.
2ND VIOLATION: Loss of one-half accrued points.
3RD VIOLATION: Loss of remainder of points.
4TH VIOLATION: One-year suspension of exhibit privilege.

Note: Exhibitors who dismantle before 4:00 P.M., Wednesday, March 20, 2019, will be subject to a one-year suspension of exhibit privilege.

For major rule violations, which USCAP in its sole discretion will determine, a one-year suspension of exhibition privilege may be issued as a sanction. Also, USCAP reserves the right to refuse future applications for exhibit space, based upon prior, major rule infractions.
USE OF THE UNITED STATES & CANADIAN ACADEMY OF PATHOLOGY'S (USCAP) NAME, INSIGNIA, LOGO, OR ACRONYM (USCAP)

The use of USCAP’s name, insignias, logos, and acronyms is expressly forbidden on signs inside and outside the exhibit area and on descriptive product literature and websites. References may be made to the meeting only as the “United States and Canadian Academy of Pathology’s 108th Annual Meeting” on Exhibitor’s advertising materials, provided that the specific use is first approved by USCAP in the precise manner in which the reference will appear. Place, names, and dates appearing with the reference will be acceptable. This policy applies before, after, and during the meeting. USCAP’s name, insignias, logos, and acronyms are trademarks of USCAP and may not be used in any event without prior written permission.

SECURITY

Security for the exhibits will be provided, but the United States and Canadian Academy of Pathology, AIM Group International, the Gaylord National Resort and Convention Center, and Brede Exposition Services do not guarantee to protect the Exhibitors against any loss or damage of any kind. Exhibitors are advised to be in their booths one-half hour prior to show opening each day.

PACKAGE REMOVAL POLICY

Deliveries or removal of equipment must be made before or after exhibit hours. A pass must be obtained from the Exhibit Management office to remove any material or equipment prior to Wednesday, March 20, 2019. Once the exhibit opens Wednesday morning for the last day of exhibiting, nothing may be removed until the exhibit is officially closed at 4:00 P.M., at which time no pass is required. Security will not check equipment leaving the exhibit area after 4:00 P.M., Wednesday, March 20, 2019. Strict security will be in effect at all other times.

INSURANCE

Exhibitors are urged to take out a portal-to-portal rider available at a nominal cost on their own insurance policy. This will protect them against loss through theft, fire, damage, etc. Exhibitors utilizing independent contractors must provide Kris Herlitz with a certificate of insurance of not less than U.S. $1,000,000 by Tuesday, February 27, 2019.

EXHIBIT APPLICATION

Click here to fill out the Exhibit Application: CLICK HERE
Each Exhibitor shall be responsible for compliance with the Americans with Disabilities Act within its booth and assigned exhibit space.

Each exhibit space will have an 8’ high drape background, and 36” high drape dividers defining the sides of the space. Drapes will not be provided in island units. A booth identification sign measuring 7” × 44” and showing only Company Name, City, and State will also be supplied in all linear booths. Please note that the Exhibit Hall is not carpeted, so Exhibitors are required to order or provide carpeting in their own booth space—no booth may be without carpet.

Important: Standard inline and corner booths will be 10 ft. wide x 10 ft. deep (10’ x 10’). The booth height of 8’ may be maintained up to 50% of the distance from the back wall toward the front of the space. No obstructions in the front half of the booth above the height of 48 inches will be permitted. No exhibit may span an aisle by roofing or floor covering. Hanging signs and banners from the ceiling are permitted only over island booths, and the top of the sign may not be over the 18’ height limit.

Nothing shall be posted, tacked, nailed, or otherwise attached to the walls, floors, or other parts of the exhibit facility or furniture contained in the facility. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. If such draping is not ordered, the decorator, with the approval of the Exhibit Management, will install draping and charge the Exhibitor.

In peninsula booth units, the peninsula should not cause a visual disadvantage to the adjacent exhibits that is greater than would be caused by an inline booth in the immediately adjacent space. Inline booth restrictions apply to the 10’ portion of the exhibit that borders on another Exhibitor’s booth; island specifications/restrictions apply to the remaining portion of the peninsula booth. Models or schematic drawings of cubic content exhibits should be submitted in advance to Exhibit Management for approval.

In island booth units, bound on four sides by aisles, the full cubic content of the space may be used; however, all display material is restricted to 18’ in height, and the design of the booth must allow accessibility from all four aisles. Sufficient see-through areas must be provided so as not to block the view of the adjacent exhibits. Models or schematic drawings of cubic content exhibits should be submitted in advance to Exhibit Management for approval.

Note: Anything required to be submitted for approval to Exhibit Management in this section should be submitted prior to Friday, February 22, 2019.

DEMONSTRATION AREAS

Demonstration areas may not be set on the aisle line of the exhibit; space must be left within the exhibit area to absorb the spectators. Should the spectators interfere with the normal traffic flow in the aisle or overflow into neighboring exhibits, the presentation must be limited or eliminated. Exhibitors are responsible for the safety (structural, fire, etc.) of their booths.

Note: Cybercafés (Internet access stations) are not permitted within a company’s booth space.
USCAP has an Exhibitor Advisory Committee (EAC). The purpose of the EAC is to provide a communication link between USCAP and its Exhibitors, specifically to:

- Review and comment on current and proposed Exhibitor Regulations;

In addition, Exhibitors are prohibited from selling and/or otherwise distributing demographic information obtained by swiping the name badges of attendees who visit their booth with lead retrieval devices. This information is restricted for use only by companies exhibiting at 2019 USCAP Annual Meeting, to send follow-up information requested by the attendee. Exhibitors violating these guidelines are subject to loss of all accrued priority points and/or a one-year suspension from exhibiting at the USCAP Annual Meeting.

EXHIBITOR REGISTRATION
Each exhibiting company will be entitled to six badges per booth space. Booth personnel may pre-register using the online exhibitor center. Exhibitors may pick up their badges at the Exhibitor Registration desk from 1pm Friday, March 15, 2019, throughout the meeting. To prevent delays, it is requested that all personnel changes be made prior to arrival in National Harbor, MD. Exhibitor badges must be worn at all times while in the exhibit area. Supplementing this identification with business cards, ribbons, or company logotypes is not permitted. Exhibitor badges may be made out only in the name of the company shown on the application for space.
ADMISSION TO SESSIONS
Badged exhibit personnel may attend scientific sessions that do not require a ticket on a first-come, first-served, space-available basis only, after scientific attendees have been seated. Overcrowding may subject a session to be shut down by the Fire Marshal. USCAP reserves the right to decline admission to any session in the interest of safety and comfort.

GUEST BADGES
Each exhibiting company will be entitled to six Guest of Exhibitor badges per booth space. These badges allow entrance to the Exhibit Hall during show hours only and may only be made out in the name of the exhibiting company requesting the Guest badge. Guests are considered anyone who is not an employee of that exhibiting company. Badges remain the property of USCAP and must be relinquished upon request from USCAP. USCAP reserves the right to limit the number of passes at any time.

Guest badges will be registered on-site by a representative of the exhibiting company and do not permit the bearer to attend the Annual Meeting scientific sessions.

WORK PASSES
All pre-approved Exhibitor-designated contractors must obtain work passes for all personnel at the Exhibitor registration desk. Work passes must be visible at all times while on the premises of the Convention Center. Work passes are valid during installation and dismantle only.

In the interest of safety, only those individuals directly responsible for the installation and the dismantling of the booth will be permitted in the Exhibit Hall during move-in and move-out times. Under no circumstances will children or guests be allowed within the exhibit area until the official opening of the exhibits at 9:30 A.M., Monday, March 18, 2019.

Brede will not be responsible, however, for any material they do not handle. Teamsters Local 639 claims jurisdiction over all unloading and reloading of freight, exhibit materials, product, and empty containers and related equipment. Up to two (2) full-time employees may work without carpenter labor for one (1) hour on the move-in and one (1) hour on the move-out. Once this time has expired and work to complete the exhibit remains, the exhibitor must hire carpenter labor from the service contractor in order to complete the work. Exhibitors may work in a single 10’ x 10’ booth without the aid of carpenter labor. The use of power tools by an exhibitor is not permitted in any situation.

SAFETY
Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support your standing weight. Brede Exposition Services requests that Exhibitors do not tip our employees. Do not give coffee breaks other than mid-morning and mid-afternoon when union employees have a fifteen-minute paid break. Any attempts to solicit a gratuity by an employee for any service should be reported immediately to a Brede supervisor. Employees of Brede are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Brede employees.

CLEANING/JURISDICTION
Arrangements have been made through Brede Exposition Services to have each Exhibitor’s booth floor cleaned Sunday night prior to the opening of exhibits, without charge.
