The USCAP Annual Meeting has truly become pathology’s global event. Decision makers in the field of pathology and the related specialties of molecular, toxicology, oncology, and immunology from hospitals, private laboratories, academic institutions, and the government will be in attendance. We’ve set records for attendance and the number of exhibitors for each of the past five years and look forward to doing the same in 2017.

Exceptional opportunities at our 106th Annual Meeting include:

• Twenty-two hours of exhibit time take place over three days
• Coffee will be served only in the Exhibit Hall during dedicated morning and afternoon program breaks
• The highly-attended poster presentations are within the Exhibit Hall
• Exhibitors are invited to join the meeting’s attendees at the Meeting’s Key “Generation U” Reception Tuesday evening – great food and entertainment that you do not want to miss!
• Marketing opportunities have been expanded to meet every budget
• Increased visibility has been achieved through the following methods:
  o Sponsor and Exhibitor listings on our meeting website (+8 million hits during the three months leading up to and during our meeting) and mobile app
  o USCAP-generated emails sent to all registered attendees
  o USCAP-generated social media posts to our followers

• Exhibitor and Sponsor registration is quick and easy
• USCAP plays an active role in supporting our partners’ requirements to meet the Physician Payment Sunshine Act. To ensure this important requirement is met, USCAP is requesting each MD’s National Provider Identifier (NPI number) during the registration process. It will be included in the badge bar code content which exhibitors are able to capture when they scan an attendee’s badge.

With the continued growth of the USCAP Annual Meeting and exhibit floor, exhibitor space will sell out very quickly. Submit your application as soon as possible to ensure that you are able to secure space. To help you make your decision, please find the enclosed information regarding audience demographics, sponsorships, exhibitor rules, and the application to secure your participation, within this brochure. Whether you choose to become an exhibitor or a sponsoring exhibitor, you’ll find many opportunities to promote your organization to pathology’s global leaders.

The USCAP Annual Meeting has become pathology’s must-attend event. Don’t miss this extraordinary opportunity to meet the global pathology marketplace!

By submitting an application for exhibit space (CLICK HERE) for the event described on the first page herein, you, as agent for the exhibiting company (the “Exhibitor”), agree that you have the authority to bind the Exhibitor to these Rules and that the Exhibitor agrees to follow and be bound by the Rules. These Rules form a contractual relationship between Exhibitor and The United States and Canadian Academy of Pathology, Inc. (“USCAP” or “Academy”). Exhibitors accept responsibility for informing all of their employees and agents of these conditions and agree that they will abide by them.

SPACE ASSIGNMENT & FEES PRESENTATION OF PRODUCTS OR SERVICES

The purpose of the USCAP exhibit program is to further the education of the registrants by providing an area for Exhibitors to present information on products or services pertinent to the physician’s professional interests.

EXHIBIT HOURS AND DATES:

Monday, March 6, 2017 | 9:30 A.M.–5:00 P.M.
Tuesday, March 7, 2017 | 9:30 A.M.–5:00 P.M.
Wednesday, March 8, 2017 | 9:00 A.M.–4:00 P.M.

EXHIBIT BOOTH MUST BE STAFFED AT ALL TIMES DURING EXHIBIT HOURS. Exhibitors are advised to be in their booths one half-hour prior to show opening each day.

SCHEDULED COFFEE BREAKS:

Monday: 9:30 A.M. – 11:00 A.M.; 3:00 P.M. – 4:30 P.M. Tuesday: 9:30 A.M. – 11:00 A.M.; 2:45 P.M. – 4:00 P.M.
Wednesday: 9:30 A.M. – 11:00 A.M.; 2:30 P.M. – 3:45 P.M.

As a courtesy to the scientists and your fellow Exhibitors, USCAP requests strict adherence to the opening and closing hours. Deliveries or removal of equipment must be made before or after exhibit hours. A pass must be obtained from the Exhibit Management desk to remove any material or equipment prior to Wednesday, March 8, 2017. Once the exhibit opens for the last day of exhibiting, nothing may be removed until the exhibit is officially closed at 4:00 P.M., at which time no pass is required. Security will not check equipment leaving the exhibit area after 4:00 P.M., Wednesday, March 8, 2017. Strict security will be in effect at all other times.
SPACE ASSIGNMENT
Applications for exhibit space are subject to the approval of USCAP, in its sole discretion, not to be unreasonably withheld. A 500-character description (including spaces) of specific products and/or services must be keyed in to the system at the time of submitting your online application form, even if you plan to alter it at a later date.

PRIORITY POINTS SYSTEM
Priority in space assignment will be accorded to previous Exhibitors on the basis of one point for each year of exhibiting, without regard to the number of booth spaces utilized. If more than one company has the same number of priority points, assignments will be made in date of receipt order.

Mergers: In the event that an exhibiting company merges with, is acquired by, or purchases another exhibiting company, the seniority accumulated by either company (whichever is highest) will be used. Exhibit Management must be notified in writing of such changes, including a public announcement of the transaction.

To take advantage of your point priority, applications and deposits must be received by October 7, 2016. Applications received after that time will be assigned space based upon date of receipt of application. Platinum, Gold, and Silver Sponsors will receive priority placement in the Exhibit Hall.

BOOTH SELECTIONS
The floor plan (CLICK HERE) should be carefully reviewed and six exhibit preferences selected. Avoid concentrating all choices in one area. Indicate these choices on the online application for space. Because prime locations sell quickly, alternate acceptable booths should be indicated. If the selected booths are not available at the time the application is received, the Exhibitor agrees to accept the space assigned. Until the initial booth assignments have been completed (after the October 7, 2016, priority point deadline), all booths on the online floor plan will appear as “Available.” From that point on, the Interactive Floor Plan will be live and will show assignments as they are made. USCAP reserves the right to modify the floor plan and reassign exhibit space if a change in the original assignment is necessary, as well as the right to final determination of booth location.

SHARING SPACE
No subletting or sharing of exhibit space is permitted without written consent from USCAP.

CO-MARKETING
If two or more companies wish to be assigned exhibit space adjacent to one another, all companies must attach a letter from each of the other companies, explaining the request and noting the request on each space application. Exhibit Management is not responsible for adjacent space assignment if space applications arrive separately or without documentation. The space assignment will then be made by averaging the co-marketing companies’ points. Exhibit Management will locate adjacent exhibits based on the best use of the exhibit floor space, and requests for specific locations may not be honored.
If two or more divisions of the same company wish to exhibit together, they may exhibit under one company name. All housing, badges, and Exhibitor Technical Guide listings will be conducted in one name only. Multiple housing blocks and listings are not permitted.
When two or more companies have joint rights to a product, and the contract stipulates all company names must appear with the product, USCAP reserves the sole right to determine how or if the name of the non-exhibiting company will appear on all exhibit-related materials. USCAP will make reasonable efforts to accommodate such requests after considering the facts and circumstances of the situation.

NON-CONTRACTED
Exhibit Space persons, companies, or organizations that have not contracted with USCAP to occupy space in the Exhibit Hall will not be permitted to display or demonstrate products, processes, or services; solicit orders; or distribute advertising materials in the Henry B. Gonzalez Convention Center, parking lots, or any hotel contracted by USCAP.
COMMERCIAL INLINE BOOTH
(bounded by a front aisle only) is $2,400 (U.S.)
After October 7 - $2,600 (U.S.)

COMMERCIAL CORNER BOOTH
(bounded by a front and side aisle) is $2,550 (U.S.)
After October 7 - $2,750 (U.S.)

COMMERCIAL ISLAND BOOTH
(which may hang a sign over their booth and use full cubic content of their space.) is $3,200 (U.S.)
After October 7 - $3,400 (U.S.)

NONPROFIT INLINE OR CORNER BOOTH
is $1,600 (U.S.).
After October 7 - $1,725 (U.S.)

Exhibits that are nonprofit according to the U.S. Internal Revenue Service Code will receive a discount, provided they submit a copy of their tax exempt certificate at the time of their application for exhibit space.

Important: A deposit of 50% of the estimated* cost (*based on estimate of commercial inline booth cost until after assignments are confirmed) for each booth requested is due along with each application. Nonprofit Exhibitors are required to submit full payment with their application. Exhibitors agree to pay the balance for the space assigned on or before Wednesday, February 1, 2017.

BOOTH SPACE CANCELLATIONS OR SPACE REDUCTIONS

To cancel or reduce space, Exhibitors are required to both:
1. Telephone Kristofer Herlitz, Exhibit Management at 646.452.3836 ext. 2095 AND
2. Send a confirming letter of cancellation or space reduction to:
   Kristofer Herlitz
   The Herlitz Company /Aim Group International
   2 Park Avenue, 20th Floor
   New York, NY 10016

The date the Exhibitor’s written notice is received will be the official cancellation/reduction date.

Reduction of island space dimensions after assignment has been confirmed may result in relocation of the exhibit booth. USCAP may cancel Exhibitor rooms and room blocks held by a company canceling booth space.
IT IS AGREED THAT:

a. As a reasonable calculation of liquidated damages for cancellation, and not as a penalty, it is agreed that:
   If a company cancels before December 1, 2016, an administrative fee of 25% of booth cost will be charged.
   If a company cancels its space between December 1, 2016, and January 2, 2017, it will be responsible for
   paying 50% of the total cost of the space.

b. If a company cancels its space after January 2, 2017, it will be responsible for paying 100% of the
   originally contracted price.

c. In the event the entire exhibit area is sold out, only an administrative fee of 25% of the canceled booth's
   cost will be charged, and the balance of monies received will be refunded.

d. Space not claimed and occupied by 9:30 A.M. on Monday, March 5, 2017, will be forfeited by the Exhibitor,
   and the Exhibitor will pay as liquidated damages 100% of the total contracted booth space fee.

CANCELLATION OF MEETING AND EXHIBIT

It is mutually agreed that in the event the USCAP Exposition is canceled due to acts of God, war, strikes,
government regulation or advisory (including travel advisory warnings by the government or World
Health Organization), civil disturbance, terrorism, or threats of terrorism in San Antonio, as substantiated
by governmental warnings or advisory notices, curtailment of transportation, epidemics, disaster, fire,
earthquakes, hurricanes, unseasonable extreme inclement weather, shortages or disruption of the electrical
power supply causing blackouts or rolling blackouts in San Antonio, or any other comparable conditions or
circumstances that occur either in the location of USCAP’s meeting or in the countries/ states of origin of at
least thirty percent (30%) of the attendees or along their routes of travel, making it commercially impracticable,
illegal, or impossible, the Application and Contract for exhibit space will be terminated. In such an event, the
affected party shall not be liable to the other for delay or failure to perform its obligations, except there shall be
a prorated reduction of any fees payable or otherwise due under this agreement and/or refund of any deposits
paid.

LIABILITY

Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend, save, and render
the United States and Canadian Academy of Pathology, AIM Group International the Henry B. Gonzalez
Convention Center and Brede National Exposition Services—to include employees and agents—harmless
against all claims, losses, and damages to persons or property, governmental charges or fines, and
attorney's fees arising out of or caused by Exhibitor’s own installation, removal, maintenance, occupancy,
or use of the exhibition premises or a part thereof, excluding any such liability caused by the sole
negligence of the Henry B. Gonzalez Convention Center, Brede National Exposition Services, AIM Group
International, the United States and Canadian Academy of Pathology (USCAP), their employees and agents.
In addition, Exhibitor acknowledges that the United States and Canadian Academy of Pathology, AIM Group
International, the Henry B. Gonzalez Convention Center, and Brede National Exposition Services do not
maintain insurance covering Exhibitor’s property and that it is the sole responsibility of Exhibitor to obtain
liability, business interruption, and property damage insurance covering such losses by Exhibitor.

USCAP shall in no event be liable to an Exhibitor for any lost business opportunities or for any other type of
direct or contract. It is understood and agreed that the sole liability of USCAP to the Exhibitor for any breach
of this contract shall be for the refund of all amounts paid by the Exhibitor pursuant to this contract, as an
exclusive remedy.

ENFORCEMENT OF RULES AND REGULATIONS

The Rules and Regulations of the United States and Canadian Academy of Pathology Exhibits are intended
to bring order and fairness to the medium. In addition to being subject to restriction or termination of an
exhibit (see General Character of Exhibits), Exhibitors who violate regulations will be subject to the following
sanctions:
1ST VIOLATION: Loss of current year priority point.
2ND VIOLATION: Loss of one-half accrued points.
3RD VIOLATION: Loss of remainder of points.
4TH VIOLATION: One-year suspension of exhibit privilege.

Note: Exhibitors who dismantle before 4:00 P.M., Wednesday, March 8, 2017, will be subject to a one-year suspension of exhibit privilege.

For major rule violations, which USCAP in its sole discretion will determine, a one-year suspension of exhibition privilege may be issued as a sanction. Also, USCAP reserves the right to refuse future applications for exhibit space, based upon prior, major rule infractions.

USE OF THE UNITED STATES & CANADIAN ACADEMY OF PATHOLOGY’S (USCAP) NAME, INSIGNIA, LOGO, OR ACRONYM (USCAP)

The use of USCAP’s name, insignias, logos, and acronyms is expressly forbidden on signs inside and outside the exhibit area and on descriptive product literature and websites. References may be made to the meeting only as the “United States and Canadian Academy of Pathology’s 106th Annual Meeting” on Exhibitor’s advertising materials, provided that the specific use is first approved by USCAP in the precise manner in which the reference will appear. Place, names, and dates appearing with the reference will be acceptable. This policy applies before, after, and during the meeting. USCAP’s name, insignias, logos, and acronyms are trademarks of USCAP and may not be used in any event without prior written permission.

SECURITY

Security for the exhibits will be provided, but the United States and Canadian Academy of Pathology, AIM Group International, the Henry B. Gonzalez Convention Center, and Brede National Exposition Services do not guarantee to protect the Exhibitors against any loss or damage of any kind. Exhibitors are advised to be in their booths one-half hour prior to show opening each day.

PACKAGE REMOVAL POLICY

Deliveries or removal of equipment must be made before or after exhibit hours. A pass must be obtained from the Exhibit Management office to remove any material or equipment prior to Wednesday, March 8, 2017. Once the exhibit opens Wednesday morning for the last day of exhibiting, nothing may be removed until the exhibit is officially closed at 4:00 P.M., at which time no pass is required. Security will not check equipment leaving the exhibit area after 4:00 P.M., Wednesday, March 8, 2017. Strict security will be in effect at all other times.

INSURANCE

Exhibitors are urged to take out a portal-to-portal rider available at a nominal cost on their own insurance policy. This will protect them against loss through theft, fire, damage, etc. Exhibitors utilizing independent contractors must provide Kris Herlitz with a certificate of insurance of not less than U.S. $1,000,000 by Tuesday, February 14, 2017.

EXHIBIT APPLICATION

Click here to fill out the Exhibit Application: CLICK HERE
Each Exhibitor shall be responsible for compliance with the Americans with Disabilities Act within its booth and assigned exhibit space.

Each exhibit space will have an 8’ high white drape background, and 36” high white drape dividers defining the sides of the space. Drapes will not be provided in island units. A booth identification sign measuring 7” x 44” and showing only Company Name, City, and State will also be supplied in all linear booths. Please note that the Exhibit Hall is not carpeted, so Exhibitors are required to order or provide carpeting in their own booth space—no booth may be without carpet.

Important: Standard inline and corner booths will be 10 ft. wide x 10 ft. deep (10’ x 10’). The booth height of 8’ may be maintained up to 50% of the distance from the back wall toward the front of the space. No obstructions in the front half of the booth above the height of 48 inches will be permitted. No exhibit may span an aisle by roofing or floor covering. Hanging signs and banners from the ceiling are permitted only over island booths, and the top of the sign may not be over the 18’ height limit.

Nothing shall be posted, tacked, nailed, or otherwise attached to the walls, floors, or other parts of the exhibit facility or furniture contained in the facility. Exposed unfinished sides of exhibit backgrounds must be draped to present an attractive appearance. If such draping is not ordered, the decorator, with the approval of the Exhibit Management, will install draping and charge the Exhibitor.

In peninsula booth units, the peninsula should not cause a visual disadvantage to the adjacent exhibits that is greater than would be caused by an inline booth in the immediately adjacent space. Inline booth restrictions apply to the 10’ portion of the exhibit that borders on another Exhibitor’s booth; island specifications/restrictions apply to the remaining portion of the peninsula booth. Models or schematic drawings of cubic content exhibits should be submitted in advance to Exhibit Management for approval.

In island booth units, bound on four sides by aisles, the full cubic content of the space may be used; however, all display material is restricted to 18’ in height, and the design of the booth must allow accessibility from all four aisles. Sufficient see-through areas must be provided so as not to block the view of the adjacent exhibits. Models or schematic drawings of cubic content exhibits should be submitted in advance to Exhibit Management for approval.

Note: Anything required to be submitted for approval to Exhibit Management in this section should be submitted prior to Friday, February 10, 2017.

DEMONSTRATION AREAS

Demonstration areas may not be set on the aisle line of the exhibit; space must be left within the exhibit area to absorb the spectators. Should the spectators interfere with the normal traffic flow in the aisle or overflow into neighboring exhibits, the presentation must be limited or eliminated. Exhibitors are responsible for the safety (structural, fire, etc.) of their booths.

Note: Cybercafés (Internet access stations) are not permitted within a company’s booth space.

EXHIBITOR ADVISORY COMMITTEE

USCAP has an Exhibitor Advisory Committee (EAC). The purpose of the EAC is to provide a communication link between USCAP and its Exhibitors, specifically to:

• Review and comment on current and proposed Exhibitor Regulations;

• Advise ways in which exposition could be improved, both from the Exhibitor’s viewpoint and from the attendee’s viewpoint;
• Identify additional information useful to Exhibitors; and
• Provide a forum for discussion of problems of mutual concern.

Members of the EAC each serve a five-year term. The committee meets once a year on Tuesday during the exposition. Exhibitors are encouraged to make their viewpoints and concerns known to USCAP and/or a Committee member. Exhibitor Advisory Committee members are as follows:

GENERAL CHARACTER OF EXHIBITS
In its sole discretion, at any time, USCAP may require modification of exhibits to bring them into compliance with this section and with the Rules. USCAP may, alternatively, require an Exhibitor to cease exhibiting if USCAP determines in good faith that no modification will suffice to correct harm done by Exhibitor’s breach of the Rules.

The character of the exhibits is subject to approval by USCAP. USCAP reserves the right, even after an application is received, to refuse applications of concern not meeting standards required or expected, as well as the right to curtail or to close exhibits or parts of exhibits that reflect unfavorably on the character of the meeting. This applies to displays, literature, advertising, novelties, souvenirs, conduct of persons, etc.

Exhibitors are requested to staff their exhibits with personnel attired in a manner consistent with the decorum of the meeting, and knowledgeable in the products and policies of the company.

CONDITIONS OF CONTRACT
Exhibitors agree to abide by the contract conditions published in this prospectus and on the USCAP website and by all conditions stipulated by the Henry B. Gonzalez Convention Center that will be included in the Exhibitors Service Kit. Exhibitors accept responsibility for informing all of their employees and agents of these conditions and agree that they will abide by them as well.

LEAD RETRIEVAL SYSTEM
A rental lead retrieval system will be available to Exhibitors. All attendees will have a large, easy-to-read badge with their contact and demographic information encoded on the front of the badge. Attendee email addresses will only be included if the attendee selects this option when registering for the meeting. Complete information will be included in the Exhibitor Service Kit that will be available in December 2016.

MESSAGES
Messages cannot be delivered to exhibit booths, nor is a paging system provided.

MODELS
USCAP expects Exhibitors to use prudent judgment when live models are used. Professional dignity and discretion should be observed at all times. The use of minors as live models is prohibited. Models contracted to assist with demonstrations in an Exhibitor’s booth may not wear tight-fitting, exposing, or other inappropriate garments, such as leotards, T-backs, and short shorts.

PRINTED MATERIALS
Distribution of printed educational material by industry or its agents is limited to the area rented by the exhibiting company in the USCAP Exhibit Hall. These materials are not permitted in the registration area, poster session areas, meeting rooms, or corridors of the Henry B. Gonzalez Convention Center.
SELLING OF PRODUCTS OR SERVICES
Sales and order-taking are permitted provided that all transactions are conducted in a manner consistent with the professional nature of the exhibits. Exhibitors selling tangible goods must meet requirements of the City of San Antonio Finance Department. Exhibitors should contact the Finance Department at (210) 207-5734 or by email at http://www.sanantonio.gov/Finance/about/contactandfeedback.aspx. Further details are available at http://www.sanantonio.gov/Finance/bfi/TaxRateSummary.aspx. Exhibitors are responsible for any and all licenses or permits required by law, as well as the payment of any taxes owed from sales.

Contests, lotteries, raffles, or games of chance, as well as the display or promotion of special discount offers, are prohibited.

DISTRIBUTION OF GIVEAWAYS
Giveaways will be limited to those items relevant to the professional interests of the registrants and will have a value of $10.00 or less per item. Exhibitors may not sell, serve, or dispense any food or beverage on the exhibit floor. Disposable plastic bags will not be permitted as a give-away item. Reusable or paper bags are permitted. All giveaways and handouts, with the exception of literature, must have the written approval of Exhibit Management prior to the meeting. Such requests must be submitted to Exhibit Management by Friday, February 10, 2017. Requests received after Friday, February 10, 2017, will not be approved. USCAP will request removal of unapproved items.

MAILING LISTS
USCAP offers one-time rental of mailing lists including registrants from the Annual Meeting. These are strictly physical mailing addresses—no email addresses are permitted to be marketed by USCAP. Email addresses may be obtained by scanning registrants’ badges when they visit your booth as long as registrants have opted to share their email address on their respective registration form.

The 2017 USCAP Annual Meeting pre-registrant list will be available after January 2, 2017, with a final registrant list available after April 3, 2017. Only 2017 USCAP Annual Meeting Exhibitors may rent the pre-registration list. Mailing list rental guidelines and order forms will be provided in the Exhibitor Service Kit. A copy of the proposed mailing piece must be submitted with the order form.

The mailing list(s) may not be used for any mailings other than that for which it is provided by USCAP, and may not be provided to any other party other than those to which permission was given.

In addition, Exhibitors are prohibited from selling and/or otherwise distributing demographic information obtained by swiping the name badges of attendees who visit their booth with lead retrieval devices. This information is restricted for use only by companies exhibiting at 2017 USCAP Annual Meeting, to send follow-up information requested by the attendee. Exhibitors violating these guidelines are subject to loss of all accrued priority points and/or a one-year suspension from exhibiting at the USCAP Annual Meeting.

EXHIBITOR REGISTRATION
Each exhibiting company will be entitled to six badges per booth space. Booth personnel may pre-register using the online exhibitor center. Exhibitors may pick up their badges at the Exhibitor Registration desk from Saturday, March 4, 2017, throughout the meeting. To prevent delays, it is requested that all personnel changes be made prior to arrival in San Antonio, Texas. Exhibitor badges must be worn at all times while in the exhibit area. Supplanting this identification with business cards, ribbons, or company logotypes is not permitted. Exhibitor badges may be made out only in the name of the company shown on the application for space.
ADMISSION TO SESSIONS
Badged exhibit personnel may attend scientific sessions that do not require a ticket on a first-come, first-served, space-available basis only, after scientific attendees have been seated. Overcrowding may subject a session to be shut down by the Fire Marshal. USCAP reserves the right to decline admission to any session in the interest of safety and comfort.

GUEST BADGES
Each exhibiting company will be entitled to six Guest of Exhibitor badges per booth space. These badges allow entrance to the Exhibit Hall during show hours only and may only be made out in the name of the exhibiting company requesting the Guest badge. Guests are considered anyone who is not an employee of that exhibiting company. Badges remain the property of USCAP and must be relinquished upon request from USCAP. USCAP reserves the right to limit the number of passes at any time.

Guest badges will be registered on-site by a representative of the exhibiting company and do not permit the bearer to attend the Annual Meeting scientific sessions.

WORK PASSES
All pre-approved Exhibitor-designated contractors must obtain work passes for all personnel at the Exhibitor registration desk. Work passes must be visible at all times while on the premises of the Convention Center. Work passes are valid during installation and dismantle only.

In the interest of safety, only those individuals directly responsible for the installation and the dismantling of the booth will be permitted in the Exhibit Hall during move-in and move-out times. Under no circumstances will children or guests be allowed within the exhibit area until the official opening of the exhibits at 9:30 A.M., Monday, March 6, 2017.

TOBACCO POLICY
It is a policy of USCAP that the use of tobacco products, including smokeless tobacco, is strictly prohibited within all areas of the Henry B. Gonzalez Convention Center (including setup and dismantling of exhibits) and all hotel meeting rooms hosting USCAP events. Please inform all employees, agents, contractors, and guests accordingly. Thank you for not using any tobacco products.
