Tell Us Your Interests:

Strategy - Includes envisioning and planning for the growth of the Academy, e.g., concepts for new educational products, courses, social media.

Outreach - Helping USCAP achieve its strategy of global health through education in underserved areas of the world.

Communications - Developing social media connectivity, creating an Academy buzz.

Ambassadors - Taking outreach responsibility to influence pathologists-in-training to support USCAP.

Membership - Assist in the quest to attract Members for Life.

Foundation - Support the Foundation, including the Canadian Foundation, with gift-giving, fund-raising, grant proposals.

Committees - Activities of the Academy are conducted through committees dedicated to membership, education, finance, publications, awards.

Short Course - Short courses on relevant topics can be proposed to the Education Committee.

Interactive Microscopy Course - Mentoring at a multi headed microscope on specified topics can be proposed to the Education Committee.
